English Montreal School Board

APPLICATION PACKAGE

2019-2020

APPLICATION PROCEDURE

All students entering grades 9, 10 and 11 are eligible to apply for acceptance to MIND. It is a public school within the English Montreal School Board (EMSB). As there are a limited number of student places available, we look for candidates who would benefit from the approach the school offers.

To this end, we ask that students and parents inform themselves about the school's mandate before completing an application. We invite you to attend our yearly **Open House** to find out about the school. Information is also available on our websites www.emsb.qc.ca/mind

Interested students should call the school to arrange an **interview** time. The interviews take place during school hours on specific professional days scheduled throughout the year. A parent or guardian must attend and the student should bring to the interview the documents listed on the 'Information for Candidates' page of this booklet (**see page 2**). A decision by the school regarding a student's candidacy cannot normally be made until all the relevant documents have been received. Within two to three weeks of the interview, a decision will be communicated to the student. In certain cases, however, the decision may be deferred until final grades have been received. If a student is accepted, the acceptance letter will include a request for the **activity fee of \$115.00**.

Information concerning the following school year will be sent out during the summer. A **Parent/Student Handbook** will be given to each student at the beginning of the academic year. It is crucial that each family familiarize itself with this handbook as it details all the MIND rules, regulations and procedures.

Students should bring to the first day of school the following:

1. June report card
2. Summer School results (if applicable)
3. MEQ Relevé de notes/Statement of marks (gr. 11 students)
4. The \$115.00 activity fee (All cheques should be made out to MIND High School, and if it's post-dated please attached a note indicating this)

If you have any questions, please call the MIND staff at: (514) 842-0792.

STUDENT AGREEMENT

MIND is a school with set structures and rules. It offers all the required courses under the Quebec curriculum as well as many options to suit individual needs.

The school day begins at 9:00 a.m. and finishes at 3:00 or 4:00 p.m. depending on the courses taken. An individual may have Directed Study time during the school day to complete their homework or get extra help. Classes are 55 minutes long, beginning at 5 minutes after the hour. Students are expected to arrive to their classes on time or they will be marked absent. **In case of absence, it is the parent's responsibility to call and inform the school and the student's responsibility to approach his/her teacher for missed work.** Personal activities (doctors' appointments, job interviews, etc.) should be scheduled outside school time whenever possible.

Class attendance, including seminar series, is compulsory. All assignments are mandatory. Teachers may penalize or refuse late work.

No drugs or alcohol are allowed in the school or at school-related activities. It is also forbidden to come to school under the influence of illicit drugs or alcohol. Violence of any kind will not be tolerated. All members of the school are expected to behave responsibly and cooperatively in all aspects of school life.

The Principal, Head Teacher and teaching staff will review the case of any student with unsatisfactory attendance, work, or behaviour. The staff may ask a student to leave the school if it is determined that MIND is not the appropriate educational setting for him/her.

I have read, understand and agree to the above school structures. I am fully aware of the nature of the school and the implications of registering here. I recognize that if I do not meet the standards of attendance, work and attitude required at MIND, I may be asked to leave.
