

# Do You Need to Consult the School Nurse?

During the school closures;

Any student 14 years and over:

- Who had an appointment planned with the school nurse
- Who would like to consult a nurse

The youth clinic nurse is available for you.

You can call your local CLSC to book an appointment.

The majority of appointments will be by phone, except when deemed necessary by the nurse.

It will be a pleasure to talk with you!

A message from your school nurse.

\*If you need to speak with a social worker, you can also call your local CLSC.
